

WELCOME TO MR. WILKING'S CLASS

2020-2021

Dear Cousino Patriot Family,

My name is Dean Wilking and I am excited to be your student's teacher this year. I have been at Cousino High School throughout my career and I hope you enjoy being part of the Cousino Patriot family as much as I do. I feel it is extremely important that we work together as a team to be sure your student is successful, especially during these difficult times. I want you to feel comfortable contacting me via email or phone if you have any questions or concerns and I will do the same. I am happy and honored to be part of your student's educational experience.

Math concepts build upon prior knowledge so I feel the following are important for your student's success:

- **Attendance** (It is difficult for students to catch up when they return after being absent, so logging into class every day and on time is extremely important)
- **Daily practice** (It is important that your child participates in class discussions and completes the assigned work)
- **Study for tests/quizzes** (I will assess student learning on a regular basis)
- **Appropriate classroom/ online behavior** (I feel it is important for all students to learn in a supportive, respectful, and positive environment)
- **Reach out for Help** (Please let me know if you are struggling and need assistance.

My office hours are 12:00 to 2:30 Monday thru Thursday on my WebEx)

Supplies: 2 pocket folder and matching spiral notebook, pencils and a calculator

Website: dwilking.weebly.com

Textbook: A textbook should be provided to each student.

Looking forward to a great year!

Dean Wilking
